

HILL HOUSE SCHOOL

LENT 2019

HILL HOUSE SCHOOL ACTIVITY BROCHURE

Life outside the classroom should be rich and rewarding. School years are an important time for trying out new skills and activities, which can give lifelong pleasure. Our students are actively encouraged to develop individual interests, responsibilities and leadership skills beyond the classroom. Over 100 activities are offered each term during lunchtime or after school, which are included in the school fees.

Please note, a small number of activities that are led by an external member of staff (excluding Ensemble Choir) will incur a small charge of £5.00 per activity, per week. This will be added to your school bill – marked by an *

To be completed online before Friday 14 December.

Activities will commence on Tuesday 8 January and will run until Wednesday 3 April at 1600hrs

Please see the information about 'Protected time' on page 3.

HILL HOUSE SCHOOL

HOW TO COMPLETE ACTIVITIES ONLINE

Please find below brief instructions of how to apply online. There is also a document under the activity section on the school website that has more in-depth information. Thank you.

- All parents should be registered to use Clarion Call – an email has been sent to parents (who currently do not use Clarion Call) with a link and password in order to activate your account. You will be unable to apply for activities if this step has not been completed.
- On the school website, click on 'Activities.'
- From the drop down menu select the brochure – **Lent 2019**. Please have a thorough look through before deciding what activities are available. Some activities have a compulsory list and these take precedent. These will be pre-selected for your child(ren)
- After looking at the brochure, please click on the link that takes you to the Parent Dashboard.
- Click on 'Co-Curricular.' This is where you apply for the activities of your choice.
- There are two sections within this: Available and Enrolled.
- Available – this shows all activities that are available for the correct age group. On the far right is a 'tick' icon. If you click on this, it takes you to the next page which shows you the dates that the activity runs and any extra information. Scroll to the bottom and click 'submit.'
- If you then click on the second option 'enrolled,' it will show if your child has been accepted onto the activity (accepted sessions.) If there is a limited number of places available, your child may be put on the waiting list. Again this will be available to see on this page. Once a place becomes available then this activity will show in the accepted column. This will also show up any compulsory activities that your child(ren) may have been selected for – these are fixed and cannot be changed/removed.
- This process needs to be completed for each activity that your child(ren) wishes to apply for. This will then complete your online application. If your child(ren) forget the activities that they have requested you can log back in and it will show up on the dashboard.
- Any technical issues with registering please email Clarion.Support@hillhouse.doncaster.sch.uk
- For more information please refer to the document attached on the school website: www.hillhouse.doncaster.sch.uk

HILL HOUSE SCHOOL
