Once activities are open for selection parents/guardians/pupils can select their choices and indicate the priority for each selection. If they have choices on the same day and at the same time activities will be allocated in order of priority, i.e. if your first choice activity is booked up you may be offered your second choice.

Some activities such as sports and music may already have pupils allocated. These will take priority over other choices.

Activity choices will then be processed and, when complete, parents/guardians will be able see confirmation of their choices in CHQ.
