An outstanding opportunity

We are delighted to offer a groundbreaking scheme of awards for students entering Hill House Sixth.

Students can win an award at the region's top performing co-educational Sixth Form for up to 100% of the normal fees.

Small classes, highly qualified and experienced teachers, and a culture which promotes ambition, excellence and leadership combine to give students the very best opportunities as they look to move on successfully to the next stage of their education or their career.

Possession of a Sixth Form Scholarship not only assists with fees, but is also very influential with university admissions tutors and employers.

A student may win more than one award, but only the largest fee reduction will be applicable.

Academic scholarships

Sixth Form Academic Scholarships are awarded in August prior to joining Hill House Sixth on the basis of GCSE results as indicated below. An interview with the Headmaster forms part of the process. These scholarships last for the 2 years of the Sixth Form and are between 15 and 50% of the normal fee.

To be invited for interview candidates should score 20 or more leadership points.
