

HILL HOUSE SCHOOL

Physics - Mr Buckingham & Mrs Lowe

Week starting	Single lesson	Double lesson	Prep
Easter Holiday			Revise using resources and textbook. Go over required practicals. Ensure you learn all equations you need to know.
22/4	Test On: Energy	Go Through Test Required practical – Specific heat capacity	Revise for Test
29/4	Test On: Electricity	Go Through Test Required practical – Investigating resistance	Revise for Test
6/5	Test On: Particle model of matter	Go Through Test Required practical – measuring density	Revise for Test
13/5	Test On: Atomic structure	Go Through Test Required practical – investigating thermal insulators	Revise for Test
20/5	Test On: Forces	Go Through Test Required practical – force mass and acceleration	EXAM – 22 MAY paper 1 Revise for Test
3/6	Test On: Waves	Go Through Test Required practical – ripple tank and waves on strings	Revise for Test
10/6	Test On: Magnetism and electromagnetism.	Go Through Test Required practical – reflection and refraction of light	EXAM – 14 JUNE paper 2
