

HILL HOUSE SCHOOL

Chemistry - Mr Fox

Week	Monday/Wednesday Single lesson	Tuesday P4- P5	Wednesday/Thursday Double lesson	Prep
Easter Holiday				Revise all of paper 2 (rates to end)
24/4	Easter Holiday		Required practical – preparation of a salt from insoluble base	A past paper 2
29/4	Structure and Bonding		Required practical – Investigating temperature changes	Alkali metals, group 7
6/5	Bank Holiday		Required practical - Electrolysis	Reactivity series and extracting metals
13/5	More structure and bonding		Calculations and final prep.	Calculations and Final revision for paper 1
20/5	Rates and measuring rates.		Crude oil and fuels.	Earth's atmosphere and resources.
3/6				
10/6		CHEMISTRY WORKSHOP	CHEMISTRY PAPER 2 EXAM
