

## HILL HOUSE SCHOOL

JDH/mr

17 May 2019

Dear Parent/Guardian

### **Junior School Staffing 2019-2020**

I write detailing the staffing of the Junior School for the academic year 2019-2020. This includes details the year groups teachers will be associated with.

Class sizes will continue to be kept to a suitable level for Junior School Children and also ensure that the children are given the care and attention needed to enhance their teaching and learning.

Mrs Julie Smith, a current Year 4 teacher, will be leaving Hill House School in August 2019 to pursue other opportunities. I would like to thank Mrs Smith for her work and commitment to the school over the past eight years and wish her well for the future. I am sure all parents and children will echo this statement.

Miss Bronagh Gunn has been employed to replace Mrs Smith from September 2019. We are looking forward to Miss Gunn arriving at Hill House and working with the children not only in the classroom but in the Arts and Languages.

We have also decided to put a fully qualified teacher in charge of the Nursery to enhance the curriculum offered to our youngest pupils. This will only improve the attainment levels and levels of pastoral care for our Early Years children.

The staffing in the Junior School will be as follows:
