Dear Parent/Guardian

A Level Geography Revision Guides

In order for students to be better prepared for their A level and internal Geography examinations and consolidate learning, we recommend students purchase revision guides for both L6 and U6 work. There are two books that we particularly recommend and they are published by Oxford University Press and are focused on the Edexcel specification the department follow. They are structured around each of the topics we study throughout the course and include revision tips and clear summaries of the content we cover.

We have been able to secure these for the price of £6.60 each as opposed to an RRP of £10.99 each. If you would like your son/daughter to have these please complete the electronic reply slip and we will then purchase the books. The cost of £13.20 will be added to your termly bill.

Yours faithfully

Mr G Green
Head of Geography
