

## HILL HOUSE SCHOOL

JC/rd

25 February 2022

Dear Parent/Guardian

### **Final Examination Preparation**

I trust that your child has enjoyed a well-earned half term break and that parents evening proved to be informative and helpful.

As term resumes, we begin in earnest the process of final examination preparation. Teachers are working closely with the exam boards' pre-release information and are ensuring that lessons and revision sessions are targeted on this information while also ensuring full university preparation.

To ensure all students are well prepared for their examinations, normal lessons will continue for the first half of term with study leave commencing on **Friday 27 May**. As ever, it is in each student's best interest to ensure that they are in full attendance and minimise any absences.

Furthermore, as a reminder, please note that **Wednesday 29 June** is the exam contingency day. All examination candidates must be available up to and including this day.

I will write again with end of year arrangements,

Yours faithfully,

Miss J Chappell

Head of Sixth Form
