

HILL HOUSE SCHOOL

JDH/lw

31 March 2022

Dear Parents/Guardian

Junior School End of Term Letter

We are at the end of a busy Lent Term which has seen the children at Hill House School continue to thrive despite the challenges we have faced as a school and nation.

The opportunities the children have at Hill House School are excellent and I have been absolutely delighted we are nearly back to normal and have started sharing the children's success and opportunities with the parents. I can now confidently look forward to Grandparents' Day, Speech Day and the array of sport, musical and drama performances planned for the Summer Term. These, I can promise, will be spectacular.

I would also like to thank the Year 6 children for the effort they have made this term. They have worked really hard and I am very proud of the sensible and mature pupils the Year 6 are becoming. I would like to congratulate them all on gaining entry into the senior school and say how impressed I have been with them for overcoming the adversities they have faced over the last 24 months. Credit must go to them all and I would like to thank the parenting body for supporting all the children during this period. My special congratulations go to the children who have been able to achieve a scholarship into senior school. They are all well deserved.

Academically the children have this term have shown exuberance and a keenness to work hard. It is lovely to see them mix with their friends, enjoy both day and residential trips and develop as individuals both inside and outside the classroom.

Many children have gained further experience of playing in a school strip this term on the sports field and experiencing the etiquette which comes with that honour. I think they have missed this and I cannot wait for our cricket season to begin now the weather has improved.

I would like to take this opportunity to publicly thank all the teachers and support staff for their hard work this term. The world is ever changing but it has been great to be able to conduct parental consultation evenings face to face and it is always nice to have that personal touch. Details of class teachers for 2022-2023 will follow next half term.

Hill House School Ltd. Registered in England. Registered Office: as above. Registration No 908443

My thanks go to the Governors and David Holland, our Headmaster, as he is wonderfully supportive of what we are achieving at the Junior School and is also a great sounding board.

Just a few reminders to finish:

- school snack should be nutritional and not contain any nut products. When providing packed lunches please consider the content as we have so many children with allergies. Please remember it is just a snack, the children do not need a packed lunch at 10:30am in the morning.
- Pupils should return to school after the Easter period in summer uniform with the correct coloured accessories.
- Please could you ensure the children are in school on time as lessons begin promptly in the morning and missing that first five minutes can be detrimental to their learning.

I look forward to Summer Term 2022. Please all enjoy your break and have a lovely Easter period.

Yours faithfully

Mr Jonathan D Hall
Head of Junior School
